

Johnny Dark Filmed Here

Filmed in and around Reno, "Johnny Dark" is now showing at the Majestic Theatre. Tony Curtis, Don Taylor and Piper Laurie share acting honors in the world of the super speedy sports car.

The three start out bucking tradition and wind up breaking all kinds of records and giving audiences thrilling action. Tony is the designer, Piper the stylist and Don the driver of a radical new sports car—model which Tony's conservative employers refuse to back. The two men mix their own joint determination with fervent competition for the redheaded stylist's heart.

In "Johnny Dark," Tony again has the brashness so popular with movie audiences, Piper shows the temper and tempting beauty that match her fiery hair and Don Taylor paints his side of the "triangle" with warmth and humor.

MAJESTIC—Piper Laurie and Tony Curtis are a romantic twosome in "Johnny Dark," now at the Majestic Theater. Since this production was filmed in Reno, it is of particular interest to local audiences.

Room Jammed By Ink Spots

World famous Ink Spots are jam-packed in the Sage Room at the Wagon Wheel at the south end of Lake Tahoe at Stateline, Nevada. Direct from the Trocadero in Los Angeles these outstanding recording stars have been entertaining a standing-room-only crowd since their first show at the night spot July 12.

Booked for three weeks stand the Ink Spots combine with the Eastman Trio to make a top show in the Sage Room, home of the jumbo crab legs. The trio are known for their smooth dance music, plus unpredictable comedy antics, which include impersonations, impromptu dance steps, and plenty of ad-libbing all of which adds up to tops in entertainment.

Since it is such a short drive from Reno to Lake Tahoe through Carson City via Clear Creek grade many Reno residents have driven to Tahoe for the evening just to hear the famous recording stars and enjoy dinner in the Sage Room at the Wagon Wheel.

SINGING STAR of "Your Hit Parade" Russell Arms, will appear in the Gold Room of the Hotel Golden-Bank Casino starting next Wednesday night for one week with comedian Sheeky Green and dancers Bud and Cece Robinson. Currently in the Gold Room is the Louis Jordan Show.

Crest Shows Navy Drama

"Men of the Fighting Lady," starting Sunday at the Crest Theatre, is a naval war drama of high and emotional intensity. Van Johnson, Walter Pidgeon, Louis Calhern, Dewey Martin and Keenan Wynn play the leading roles.

Author James Michener, played by Louis Calhern, visits a naval carrier to get its Christmas story from Commander Walter Pidgeon. A flashback tells the story of that day in which Lt. Comdr. Frank Lovejoy's plane is hit and he lands in the sea to be rescued by a helicopter. In another flight, Lt. Comdr. Keenan Wynn is killed in crash landing his damaged plane on the carrier, while on a third flight, Ensign Dewey Martin is blinded when his conoply is blasted away. Lt. Van Johnson hunts him in the high clouds and guides him back to a safe landing on the carrier.

Wins Cheers At Skyroom

Never in Reno did a prima donna receive a more thunderous ovation than did Helen Traubel on her opening night in the Mapes Skyroom.

Her voice has luster and the emotional pull that brought tears to the eyes of those who heard and saw her. Her warm and deeply sincere friendliness radiates and touches every member of the audience. Her rendition of "I Believe" and "The Song of Norway" proved that the voice of Helen Traubel is a glorious organ which has taken on an even lovelier patine. Helen Traubel, in her presentation of arias, classical music and popular tunes, proves her night club popularity.

LUSTER and emotional pull of singer Helen Traubel brings plaudits nightly at Hotel Mapes Skyroom.

MIDWAY—"The Robe," which starts Sunday at the Midway Drive In Theater, stars Richard Burton, Jean Simmons, Victor Mature and Michael Rennie and is based on the novel by Lloyd C. Douglas. The Midway Drive In Theater presents "The Robe" as their first Cinemascope picture of the year, to be followed by at least one every week for the balance of the season.

Louis Jordan Golden Star

Capacity crowds continue to fill the Gold Room of the Hotel Golden-Bank Casino to enjoy Louis Jordan and his Tympany Five. Danny Crystal and tapster Paul King.

The singing, swinging, clowning Louis Jordan is again proving a success with his remarkable ability to project his sunny personality over the footlights... one reason why he's been dubbed, "Mr. Personality." He has also gained fame as a Decca recording artist.

"Sincere Humor" is the theme of comic Danny Crystal's routine. This young man of laughs started in show business as a singer, but found he liked to make people laugh and as a result the change over to comedy was natural.

Probably one of the finest tap dancers in show business today is tall, lanky Paul King who moves all over the stage smoothly and rhythmically.

Will Osborne and his famous orchestra is on hand for the show's music and for between show dancing. For dancing there's also the Dante Varela Trio and Joe Mazzeo at the Gold Bar.

Two colorful dance numbers are offered featuring the lovely Golden Girls.

There are three shows each night in the Gold Room at 10, 1 and 3. The current show ends Tuesday night.
