

## **Rolling Stones' Ronnie Wood Booked for Golden Nugget!**

Ronnie Wood

This just in ... Rolling Stones guitarist and all-around cool dude Ronnie Wood is slated to perform a concert in Atlantic City on Saturday, April 21, at the Golden Nugget.

Wood, who is also performing at this year's Bluesfest in London, England, in June, along with the Robert Cray Band, Tom Jones, Van Morrison and others, does not have any other scheduled concerts according to his official Web site and Pollstar.

Rock on Atlantic City!
